Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated May 24, 2024, placed the rating(s) of Kohinoor India Private Limited (KIPL) under the 'issuer non-cooperating' category as KIPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. KIPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated April 09, 2025, April 19, 2025 and April 29, 2025 among others.

In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings' opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of KIPL have been revised on account of non-availability of requisite information.

About the company

Incorporated in 1989, KIPL is engaged in the manufacturing and trading of rubber products like bicycle tyre, auto tubes, rubber sheets and trading of natural rubber and rubber chemicals. The company also engages in export of its products. Group concerns of the company include Eastman Reclamations and Kohinoor Reclamations also engaged in a similar line of business.

Status of non-cooperation with previous CRA: Brickwork has continued the rating assigned to the bank facilities of KIPL into Issuer Not Cooperating category vide press release dated February 10, 2025 on account of its inability to carry out a review in the absence of the requisite information from the company.
