Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated June 12, 2024, placed the rating(s) of Sri Hari Constructions (SHC) under the 'issuer non-cooperating' category as SHC had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. SHC continues to be non-cooperative despite repeated requests for submission of information through e-mails dated April 28, 2025, May 08, 2025, May 18, 2025 among others.

In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings' opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

About the Firm

Sri Hari Constructions (SHC) is a Tirupathi, Andhra Pradesh based firm and was established in 1998 as a proprietorship concern by Mr. Giridhar Reddy. Mr Reddy is an 'A' grade licensed holder from Government of Andhra Pradesh, enabling it to bid for high voltage transmission network projects within the state. SHC is engaged in executing procurement and construction projects on turnkey basis, for installation (supply, erection, testing and commissioning) of sub-station transmission network and distribution substations with single and double circuit lines, based on the requirement by the transmission companies. The orders undertaken by the firm are secured through the competitive bidding process. The firm has installed various substation transmission networks between 100 to 400 KV, majorly for Transmission Corporation of Andhra Pradesh (APTRANSCO) and Transmission Corporation of Telangana (TSTRANSCO). Apart from that, the firm also undertakes work contracts from private companies for executing sub-station transmission network for construction companies.

Status of non-cooperation with previous CRA: CRISIL has continued the ratings assigned to the bank facilities of SHC to the 'issuer not-cooperating' category vide press release dated August 19, 2024 on account of its inability to carryout review in the absence of requisite information from the firm.
