Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated July 16, 2024, placed the rating(s) of Fairdeal Overseas (FO) under the 'issuer non-cooperating' category as FO had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. FO continues to be non-cooperative despite repeated requests for submission of information through e-mails dated June 01, 2025, June 11, 2025, June 23, 2025 among others.

In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).
