Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated July 19, 2024, placed the rating(s) of Orient Steel And Industries Limited (OSIL) under the 'issuer non-cooperating' category as OSIL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. OSIL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated June 04, 2025, June 14, 2025, June 24, 2025 among others.

In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of OSIL have been revised on account of non-availability of requisite information. The revision also factored in decline in scale of operation along with profitability during FY25 (Abridged) over FY24 (Audited).

Analytical approach: Standalone
