Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated August 09, 2024, placed the rating(s) of Sonic Ceramic Private Limited (SCPL) under the 'issuer non-cooperating' category as SCPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. SCPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated June 25, 2025, July 05, 2025, July 15, 2025 among others.

In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings' opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

About the company

Morbi (Gujarat) based SCPL was incorporated in October 2007 as a private limited company by six promoters to undertake a green field project for manufacturing of wall tiles. SCPL recently completed its project in Morbi (Gujarat) with installed capacity of 52800 Metric Tonnes of wall tiles Per Annum (MTPA). The company has completed project and commenced operations from April 2018 onwards. The promoters of the company have long experience in the ceramic industry through their association with different established entities. These entities are engaged in manufacturing of vitrified tiles, wall tiles and floor tiles. These associate concerns of SCPL are Suzlon Ceramic, Shubham Ceramic, Mega Vitrified Private Limited and Armano Vitrified LLP.

Status of non-cooperation with previous CRA: CRISIL has continued the ratings assigned to the bank facilities of SCPL to 'Issuer Not Cooperating' category vide press release dated August 29, 2024 on account of its inability to carry out a review in the absence of the requisite information from the company.
