Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated August 20, 2024, placed the rating(s) of EMT Megatherm Private Limited (EMPL) under the 'issuer non-cooperating' category as EMPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. EMPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated July 06, 2025, July 16, 2025 and July 26, 2025 among others.

In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).
