Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated August 28, 2024, placed the rating(s) of Sigma-C Infrastructure Private Limited (SIPL) under the 'issuer non-cooperating' category as SIPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. SIPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated July 14, 2025, July 24, 2025 and August 03, 2025 among others.

In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

About the company

SIPL was established as a sole proprietorship firm, Sigma Construction, in 1993 by Mr A K Bhasin (Chairman) and the same was later reconstituted as a private limited company in September 2012, whereby its name was changed to its current name. SIPL is engaged in the execution of turnkey contracts for the power industry whereby it undertakes supply, erection, testing, and installation of equipment, auxiliaries, and motors for generating stations and switch yards and also undertakes the civil works. The company is also involved into underground cable laying and jointing works, installation of third rail and traction substations for the Metro Railways and diversified into water distribution and drainage projects in Assam since FY14. The company has been executing power projects across various locations in India and has been carrying out construction work primarily for various government entities. The power sector continued to remain the core area of operation for SIPL.

Status of non-cooperation with previous CRA: Acuite continued the rating assigned to the bank facilities of SIPL into Issuer Not Cooperating category vide press release dated May 16, 2025 on account of its inability to carry out a review in the absence of requisite information.
