Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated September 09, 2024, placed the rating(s) of Unitriveni Overseas (UO) under the 'issuer non-cooperating' category as UO had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. UO continues to be non-cooperative despite repeated requests for submission of information through e-mails dated July 26, 2025, August 05, 2025, August 15, 2025 among others.

In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings' opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

About the company

Unitriveni Overseas (UO) was constituted as a partnership firm on May 06, 2008 by Bhattacharya family of Kolkata, West Bengal. The firm is engaged in processing and export of sea food, primarily Vannami and black tiger prawns. UO has its processing facilities on lease rental basis at Kolkata, West Bengal (owned by Sunshine Packaging Industries). The facility has an aggregate processing capacity of 28 metric tonnes per day (MTPD) of seafood. The firm has One Star Export House status from the Government of India. The firm exports its products mainly to USA, France, Vietnam, etc. UO procures prawn from the open market from farmers and agents for processing and export. The plant is appropriately located in proximity to several aquaculture farms in West Bengal which reduces the risk of raw material availability and also keeps the inward freight costs under control.

Status of non-cooperation with previous CRA:

CRISIL has continued the rating assigned to the bank facilities of UO into ISSUER NOT COOPERATING category vide press release dated July 25, 2024 on account of its inability to carry out a review in the absence of requisite information from the firm.
