Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated August 01, 2024, placed the rating(s) of B K Rice Industries (BKRI) under the 'issuer non-cooperating' category as BKRI had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. BKRI continues to be non-cooperative despite repeated requests for submission of information through e-mails dated June 17, 2025, June 27, 2025, July 07, 2025 among others.

In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

About the firm

Karnataka based B K Rice Industries was established as a partnership concern, in 2017, by Mr. Nagaraj and Ms. S Vishalakshi for doing the business of rice milling and processing. The construction of the manufacturing unit was completed in March 2018 and the commercial operations commenced in May 2018. The firm sources its raw material, paddy, from local farmers in and around Karnataka and sells mostly to Tamil Nadu, Maharashtra and Karnataka their finished product i.e; rice, broken rice and rice bran. The rice mill has an installed capacity of 08 tons per hour.

Status of non-cooperation with previous CRA: CRISIL has continued the rating assigned to the bank facilities of BKRI into Issuer Not Cooperating category vide press release dated September 30, 2024 on account of its inability to carry out a review in the absence of requisite information.
