Rationale and key rating drivers

CARE Ratings Ltd. (CareEdge Ratings) had, vide its press release dated December 04, 2019, placed the ratings of CHD Developers Limited (CDL) under the 'issuer non-cooperating' category as CDL had failed to provide information for monitoring of the rating. CDL continues to be noncooperative despite repeated requests for submission of information through e-mails dated May 19, 2025, May 29, 2025, and June 08, 2025, and numerous phone calls. In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Rating's opinion is not sufficient to arrive at a fair rating. Further all bankers could not be contacted.

Users of these ratings (including investors, lenders and the public at large) are hence requested to exercise caution while using the above ratings.

The rating has been reaffirmed by taking into account non-availability of information and no due diligence conducted due to non-cooperation by CDL with CareEdge Rating's efforts to undertake a review of the rating outstanding. CareEdge Ratings views information availability risk as a key factor in its assessment of credit risk. Further, the ratings continue to remain constrained owing by delays in servicing of debt obligations.

Analytical approach: Consolidated

For arriving at the ratings, CareEdge Ratings has combined the business and financial risk profiles of CDL and its nine subsidiaries. All the entities have a common management team and are in the same line of business. Subsidiaries considered are listed under **Annexure-6**.
