Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated September 24, 2024, placed the rating(s) of Karimnagar Milk Producer Company Limited (KMPCL) under the 'issuer non-cooperating' category as KMPCL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. KMPCL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated August 10, 2025, August 20, 2025, August 30, 2025 among others.

In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings' opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of KMPCL have been revised on account of non-availability of requisite information.

In 1998, it was handed over to milk producer committee and then in 2003 it was converted into Mutually Aided Cooperative Society under 1995 Andhra Pradesh Cooperative Societies Act.
