Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated September 05, 2024, placed the rating(s) of Kwality Feeds Limited (KFL) under the 'issuer non-cooperating' category as KFL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. KFL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated July 22, 2025, August 01, 2025, August 11, 2025 among others.

In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings' opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of KFL have been revised on account of non-availability of requisite information.

Status of non-cooperation with previous CRA: India Ratings has continued the ratings assigned to the bank facilities of KFL to the 'issuer not-cooperating' category vide press release dated June 25, 2025 on account of its inability to carryout review in the absence of requisite information from the company.
