Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated October 03, 2024, placed the rating(s) of Indore Sahakari Dugdh Sangh Maryadit (ISDSM) under the 'issuer non-cooperating' category as ISDSM had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. ISDSM continues to be non-cooperative despite repeated requests for submission of information through e-mails dated August 19, 2025, August 29, 2025, September 08, 2025 among others.

In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of ISDSM have been revised on account of non-availability of requisite information.

About the Society

Incorporated in 1976, ISDSM is a dairy cooperative union of Madhya Pradesh which aims at providing remunerative returns to its farmer members who are also its majority shareholders. ISDSM operates under a three-tier structure having farmers (milk suppliers) at the base and Madhya Pradesh Cooperative Dairy Federation (MPCDF) at the apex. In addition to ISDSM, the structure has five other similar dairy unions, all together referred to as 'Sanchi Group' after the brand name 'Sanchi' under which the products of all unions are sold, through distributors and retail outlets. ISDSM procures milk from 1,554 member VCS consisting of 59,276 farmers, who hold 82% stake in the union. The balance stake is held by Government of Madhya Pradesh (10%), Government of India (5%) and MPCDF (3%). The union had a total milk processing capacity of around 4.60 lakh litres per day (LLPD) as on March 31, 2022, from its five milk processing plants in different districts of Madhya Pradesh. Presently, besides dairy plant, the milk union has Butter and Ghee manufacturing facility of 8 MT/day each. In addition, a Cattle Feed plant of 150 MTs per day capacity at Mangliya, Indore is in operation.
