Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated November 06, 2024, placed the rating(s) of Mani Zaver Industries Private Limited (MZIPL) under the 'issuer non-cooperating' category as MZIPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. MZIPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated September 22, 2025, October 02, 2025, October 12, 2025 among others. In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of MZIPL have been revised on account of non-availability of requisite information.
