Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated November 25, 2024, placed the rating(s) of Laxmi Diamond Private Limited (LDPL) under the 'issuer non-cooperating' category as LDPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. LDPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated October 11, 2025, October 21, 2025, October 31, 2025 among others. In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings' opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of LDPL have been revised on account of non-availability of requisite information.
