Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated January 03, 2025, placed the ratings of Kandagiri Spinning Mills Limited (KSM) under the 'Issuer non-cooperating' category as KSM had failed to provide information for monitoring of the rating and had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. KSM continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and an emails dated November 19, 2025, November 29, 2025 and December 04, 2025. In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The rating takes into account the past delays in servicing of the debt obligations and weak financial performance of the company.
