### Rationale & Key Rating Drivers

CARE Ratings Ltd. had, vide its press release dated November 26, 2024, placed the rating(s) of Corrosion Engineers Private Limited (CEPL) under the 'issuer non-cooperating' category as CEPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. CEPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated October 12, 2025, October 22, 2025 and November 01, 2025 among others.

In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings' opinion is not sufficient to arrive at a fair rating.

**Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).**

**Analytical approach:** Standalone

**Outlook:** Stable
