### Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated November 13, 2024, placed the rating(s) of JGF Industries Private Limited (JIPL) under the 'issuer non-cooperating' category as JIPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. JIPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated September 29, 2025, October 09, 2025, October 19, 2025 among others. In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings opinion is not sufficient to arrive at a fair rating.

**Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).**

The ratings assigned to the bank facilities of JIPL have been revised on account of non-availability of requisite information.

**Analytical approach:** Standalone

**Outlook:** Stable

JIPL is engaged in the business of producing milk products including SMP, ghee and butter at its sole manufacturing facility at UP. However, the installed capacity is restricted to 1.13 lakh litre per day by the State Pollution Control Board as on December 31, 2023. JIPL started its commercial production from December 2022. Initially, it has started sales through JGFPPPL which has established distribution network and customer base in domestic and export market.
