Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated December 18, 2024, placed the rating(s) of Intact Transport Private Limited (ITPL) under the 'issuer non-cooperating' category as ITPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. ITPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated November 03, 2025, November 13, 2025 and November 23, 2025 among others.

In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to bank facilities of ITPL have been revised on account of non – availability of requisite information.
