Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated November 28, 2024, placed the rating(s) of Budge Budge Company Limited (BBCL) under the 'issuer non-cooperating' category as BBCL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. BBCL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated October 14, 2025, October 24, 2025, November 03, 2025 among others. In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of BBCL have been revised on account of non-availability of requisite information. The revision also factored in declined total operating income and net losses incurred in FY25

Analytical approach: Standalone

Outlook: Stable

Most entities whose bank facilities/instruments are rated by CareEdge Ratings have paid a credit rating fee, based on the amount and type of bank facilities/instruments. CareEdge Ratings or its subsidiaries/associates may also be involved with other commercial transactions with the entity. CareEdge Ratings does not act as a fiduciary by providing the rating. The ratings are intended for use only within the jurisdiction of India. The ratings of CareEdge Ratings do not factor in any rating-related trigger clauses as per the terms of the facilities/instruments, which may involve acceleration of payments in case of rating downgrades. However, if any such clauses are introduced and triggered, the ratings may see volatility and sharp downgrades. CareEdge Ratings has established policies and procedures as required under applicable laws and regulations which are available on its website.
