### Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated November 21, 2024, placed the rating(s) of India Files Manufacturing Company (IFMC) under the 'issuer non-cooperating' category as IFMC had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. IFMC continues to be non-cooperative despite repeated requests for submission of information through e-mails dated October 07, 2025, October 17, 2025, October 27, 2025 among others.

In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Rating's opinion is not sufficient to arrive at a fair rating.

**Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).**

**Analytical approach:** Standalone

**Outlook:** Not Applicable
