Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated November 21, 2024, placed the rating(s) of Ratnagiri Seeds and Farm (RSF) under the 'issuer non-cooperating' category as RSF had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. RSF continues to be non-cooperative despite repeated requests for submission of information through e-mails dated October 07, 2025, October 17, 2025, October 27, 2025 among others.

In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Rating's opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

Status of non-cooperation with previous CRA: CRISIL has continued the rating assigned to the bank facilities of RSF into Issuer Not Cooperating category vide press release dated December 22, 2025 on account of its inability to carry out a review in the absence of the requisite information from the firm.
