Rationale and key rating drivers

CARE Ratings Ltd. (CareEdge Ratings) had, vide its press release dated December 24, 2024, placed the rating(s) of Southern Pharma India Private Limited (SPIPL) under the 'issuer non-cooperating' category as SPIPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. SPIPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated November 09, 2025, November 19, 2025, November 29, 2025 among others.

In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings' opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).
