Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated January 20, 2025, placed the rating(s) of Supreme Agro Products (SAP) under the 'issuer non-cooperating' category as SAP had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. SAP continues to be non-cooperative despite repeated requests for submission of information through e-mails dated December 06, 2025, December 16, 2025, December 26, 2025 among others.

In line with the extant SEBI guidelines CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

Analytical approach: Standalone
