### Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) placed the rating(s) of IL&FS Transportation Networks Limited (ITNL) under the 'issuer non-cooperating' category vide its press release dated March 27, 2019, because ITNL had failed to provide information for monitoring the rating as agreed in its Rating Agreement. ITNL continues to be non-cooperative despite repeated requests for submission of information through e-mails and phone calls from January 12, 2026 to February 18, 2026. In line with extant SEBI guidelines, CareEdge Ratings reviewed the rating basis best available information, which in CareEdge Ratings' opinion, is not sufficient to arrive at a fair rating. Users of this rating (including investors, lenders and public) are requested to exercise caution while using the rating(s). Ratings factor in continued delays in debt servicing.
