Rationale and key rating drivers

CARE Ratings Ltd. (CareEdge Ratings) had, vide its press release dated February 27, 2025, placed the rating(s) of PSV Precast Private Limited (PPPL) under the 'issuer non-cooperating' category as PPPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. PPPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated January 13, 2026, January 23, 2026, February 02, 2026 among others.

In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

Analytical approach: Standalone
