Rationale and key rating drivers

CARE Ratings Ltd. (CareEdge Ratings) had, vide its press release dated March 25, 2025, placed the rating(s) of Jalaram Ceramics Limited (JCL) under the 'issuer non-cooperating' category as JCL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. JCL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated February 08, 2026, February 18, 2026, February 28, 2026 among others.

In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings' opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of JCL have been revised on account of non-availability of requisite information.
