Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated February 21, 2025, placed the rating(s) of Cronus Pharma Specialties India Private Limited (CPSIPL) under the 'issuer non-cooperating' category as CPSIPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. CPSIPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated January 07, 2026, January 17, 2026, January 27, 2026 among others.

In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of CPSIPL have been revised on account of non-availability of requisite information.

Analytical approach: Consolidated approach. CARE considered consolidated approach factoring in financial and operational linkages between the parent (CPS) and its subsidiary Cronus Pharma LLC which include common management and intercompany transactions resulting in cash-flow fungibility. Please refer Annexure-6.

Outlook: Stable
