Rationale and key rating drivers

CARE Ratings Ltd. (CareEdge Ratings) had, vide its press release dated March 19, 2025, placed the rating(s) of Orient Craft Limited (OCL) under the 'issuer non-cooperating' category as OCL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. OCL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated February 02, 2026, February 12, 2026, February 22, 2026, among others.

In line with the extant SEBI guidelines CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings' opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).
