Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated May 28, 2025, placed the rating(s) of Jindal Pipes Singapore Pte Limited (JPSPL) under the 'issuer non-cooperating' category as JPSPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. JPSPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated April 14, 2026, April 23, 2026, May 03, 2026 among others.
In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The rating assigned to the bank facilities of JPSPL has been revised on account of non-availability of requisite information.
