Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated June 10, 2025, placed the rating(s) of Raajratna Energy Holdings Private Limited (REHPL) under the 'issuer non-cooperating' category as REHPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. REHPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated April 26, 2026, May 06, 2026, May 16, 2026 among others.

In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings' opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of REHPL have been revised on account of non-availability of requisite information.
