### Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated July 11, 2025, placed the rating(s) of New Sapna Granite Industries (NSGI) under the 'issuer non-cooperating' category as NSGI had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. NSGI continues to be non-cooperative despite repeated requests for submission of information through e-mails dated May 27, 2026, June 06, 2026, June 16, 2026 among others.

In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings' opinion is not sufficient to arrive at a fair rating.

**Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).**

**Analytical approach:** Standalone

**Outlook:** Not applicable
