Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) had, vide its press release dated June 06, 2025, placed the rating(s) of Somi Conveyor Beltings Limited (SCBL) under the 'issuer non-cooperating' category as SCBL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. SCBL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated April 22, 2026, May 02, 2026, May 12, 2026 among others.

In line with the extant SEBI guidelines, CareEdge Ratings has reviewed the rating on the basis of the best available information which however, in CareEdge Ratings' opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of SCBL have been revised on account of non-availability of requisite information. The revision also considers decline in overall profitability in FY26 (Abridged).

Analytical approach: Standalone

Outlook: Stable
