Detailed Rationale & Key Rating Drivers

CARE had, vide its press release dated February 12, 2021, placed the rating(s) of Accord Udyog Private Limited (AUPL) under the 'issuer non-cooperating' category as AUPL had failed to provide information for monitoring of the rating and had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. AUPL continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated December 29, 2021, January 08, 2022, January 20, 2022.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of AUPL have been revised on account of on-going delays in debt servicing recognized from publicly available information i.e. audit report of FY21.
