#### **Detailed Rationale & Key Rating Drivers**

CARE Ratings Ltd. had, vide its press release dated April 13, 2021, placed the rating(s) of Baba Kailashpati Agro Processing Private Limited (BKAPPL) under the 'issuer non-cooperating' category as BKAPPL had failed to provide information for monitoring of the rating and had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. BKAPPL continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated February 27, 2022, March 09, 2022, March 19, 2022.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The rating assigned to the bank facilities of BKAPPL have been revised on account of non-availability of requisite information. The rating also factored in decline in scale of operations, operating profitability, deteriorated capital structure, debt coverage indicators and increase in total debt levels during FY21.
