### Detailed Rationale & Key Rating Drivers

CARE had, vide its press release dated November 09, 2020, placed the rating(s) of Mangala Seeds (MS) under the 'issuer non-cooperating' category as MS had failed to provide information for monitoring of the rating and had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. MS continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated September 25, 2021, October 05, 2021, October 15, 2021.

In line with the extant SEBI guidelines, CARE has reviewed the rating on the basis of the best available information which however, in CARE's opinion is not sufficient to arrive at a fair rating.

***Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).***

The ratings assigned to the bank facilities of MS have been revised on account of non-availability of requisite information.
