Detailed Rationale & Key Rating Drivers

CARE had, vide its press release dated September 18, 2020, placed the rating(s) of Merrito Polymers (India) Private Limited (MPPL) under the 'issuer non-cooperating' category as MPPL had failed to provide information for monitoring of the rating and had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. MPPL continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated August 04, 2021, August 14, 2021, and August 24, 2021.

In line with the extant SEBI guidelines, CARE has reviewed the rating on the basis of the best available information which however, in CARE's opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).
