### **Detailed Rationale & Key Rating Drivers**

CARE had, vide its press release dated October 27, 2020, placed the rating(s) of Aarti InfrA-Projects Private Limited (AIPL) under the 'issuer non-cooperating' category as AIPL had failed to provide information for monitoring of the rating and had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. AIPL continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated September 12, 2021, September 22, 2021, October 02, 2021.

In line with the extant SEBI guidelines, CARE has reviewed the rating on the basis of the best available information which however, in CARE's opinion is not sufficient to arrive at a fair rating.

Further, rating assigned to the letter of credit facility has been withdrawn as the company has surrendered the same.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating.
