Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated March 04, 2021, placed the ratings of Reliance Infrastructure Limited (RIL) under the 'issuer non-cooperating' category as RIL had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

The rating takes into account delays in debt servicing.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above ratings.

Detailed description of the key rating drivers

At the time of last rating on February 28, 2022 the following were the rating strengths and weaknesses:
