Detailed Rationale & Key Rating Drivers

CARE had, vide its press release dated January 06, 2021, placed the rating(s) of Dynamicengineers Infratrack Private Limited (DIPL) under the 'issuer non-cooperating' category as DIPL had failed to provide information for monitoring of the rating and had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. DIPL continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated November 22, 2021, December 02, 2021, December 12, 2021.

In line with the extant SEBI guidelines, CARE has reviewed the rating on the basis of the best available information which however, in CARE's opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings have been revised on account of non-availability of requisite information. The rating also considers the small scale of operations of company's operations.

Analytical approach: Standalone.

Changed from Combined approach - Earlier CARE had taken combined approach till FY19 (Audited) for *Dynamicengineers Infratrack Private Limited (DIPL)* and *Dynamic Engineers (DE)* as both entities are in the same line of business and are under common management.

However; as financial information post FY19 is unavailable for *DE*, the analytical approach had been changed to standalone.
