Detailed Rationale & Key Rating Drivers

CARE had, vide its press release dated May 14, 2020, placed the ratings of Magnum Steels Limited (MSL) under the 'issuer non-cooperating' category as MSL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. MSL continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and emails dated June 18, 2021, April 19, 2021 and April 9, 2021, etc.

In line with the extant SEBI guidelines, CARE has reviewed the rating on the basis of the best available information which however, in CARE's opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).
