## **Detailed Rationale & Key Rating Drivers**

CARE Ratings Ltd. had, vide its press release dated September 20, 2021, placed the rating(s) of Globalite Industries Private Limited (GIPL) under the 'issuer non-cooperating' category as GIPL had failed to provide information for monitoring of the rating and had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. GIPL continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated August 06, 2022, August 16, 2022, August 26, 2022 and November 28, 2022.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

# Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings have been revised on account of non-availability of requisite information. The revision also considers the ongoing delays in debt servicing as recognized from publicly available information i.e. CIBIL filings.
