# **Detailed Rationale & Key Rating Drivers**

The reaffirmation of the ratings assigned to the bank facilities and instruments of Hindustan Construction Company Limited (HCC) takes into account the ongoing delays in servicing the debt obligations. The debt servicing capability of the company is stressed on account of a high debt burden and resultant finance costs being incurred along with stressed working capital cycle on account of delayed receipt of dues and claim settlement from customers.

On March 26, 2019, HCC Limited has signed terms with a consortium of investors led by Blackrock to monetize an identified pool of arbitration awards for a consideration of Rs. 1750 crore. The proposed transaction is expected to substantially deleverage the balance sheet of HCC.

# Detailed description of the key rating drivers Key Rating Weaknesses Delays in Debt Servicing:

There are on-going delays in servicing of term loans and there are instances of overdrawals and devolvement in fund-based and non-fund based limits ranging between 30 to 90 days.

On March 26, 2019, HCC Limited has signed terms with a consortium of investors led by BlackRock with a view to monetize an identified pool of arbitration awards and claims for a consideration of Rs.1750 crore. Under the terms of the transaction, HCC will transfer its beneficial interest and rights in an identified portfolio of arbitration awards & claims to a special purpose vehicle (SPV) controlled by a consortium of investors, including BlackRock. The proceeds will then be utilized to entirely repay the outstanding term loan of Rs.942 crore and Rs.308 crore of OCDs, while the balance funds would be used to meet the working capital requirements of HCC. This is substantially expected to deleverage the balance sheet position of the company, thereby reviving the company from its existing financial turmoil.

### Elongated working capital cycle:

The working-capital cycle of the company continues to be elongated owing to delays in recoveries from customers and high amount of inventory held due to delays in commencement of projects.
