Detailed Rationale & Key Rating Drivers

CARE has been seeking information from JBF Industries Limited (JBF) to monitor the rating(s) vide e-mail communications dated May 04, 2020, May 05, 2020 and May 06, 2020. However, despite our repeated requests, the company has not provided the requisite information for monitoring the ratings. In line with the extant SEBI guidelines, CARE has reviewed the rating on the basis of the best available information which however, in CARE's opinion is not sufficient to arrive at a fair rating. The rating on JBF's bank facilities will now be denoted as **CARE D, ISSUER NOT COOPERATING***.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The rating continue to takes into account ongoing delays in interest servicing related to the term loans and NPA classification of account by lenders.

Detailed description of the key rating drivers

About the Company

Established in 1982, JBF Industries Limited (JBF) was founded by Mr. Bhagirath Arya as a Yarn Texturising company, since then it has established and expanded capacities into Polyester Chips (textile grade, bottle grade and film grade), Partially Oriented Yarn (POY) and Polyester (BOPET) film. It also manufactures Fully Drawn Yarn (FDY) and Polyester Texturised Yarn (PTY). Today, JBF is one of the leading Polyester value chain company not only in India but globally. On a standalone basis, JBF is predominantly polyester chips (textile grade & bottle grade) and POY player. Having established itself in the domestic market, JBF ventured into overseas markets by setting up a packaging-grade polyester chips plant, JBF RAK LLC in the emirate of Ras Al Khaimah in 2005. Further, it also commissioned a Polyester (BOPET) film plant at Bahrain in 2014 and bottle grade Polyester

About CARE Ratings:

CARE Ratings commenced operations in April 1993 and over two decades, it has established itself as one of the leading credit rating agencies in India. CARE is registered with the Securities and Exchange Board of India (SEBI) and also recognized as an External Credit Assessment Institution (ECAI) by the Reserve Bank of India (RBI). CARE Ratings is proud of its rightful place in the Indian capital market built around investor confidence. CARE Ratings provides the entire spectrum of credit rating that helps the corporates to raise capital for their various requirements and assists the investors to form an informed investment decision based on the credit risk and their own risk-return expectations. Our rating and grading service offerings leverage our domain and analytical expertise backed by the methodologies congruent with the international best practices.

Disclaimer

CARE's ratings are opinions on credit quality and are not recommendations to sanction, renew, disburse or recall the concerned bank facilities or to buy, sell or hold any security. CARE has based its ratings/outlooks on information obtained from sources believed by it to be accurate and reliable. CARE does not, however, guarantee the accuracy, adequacy or completeness of any information and is not responsible for any errors or omissions or for the results obtained from the use of such information. Most entities whose bank facilities/instruments are rated by CARE have paid a credit rating fee, based on the amount and type of bank facilities/instruments.

In case of partnership/proprietary concerns, the rating /outlook assigned by CARE is based on the capital deployed by the partners/proprietor and the financial strength of the firm at present. The rating/outlook may undergo change in case of withdrawal of capital or the unsecured loans brought in by the partners/proprietor in addition to the financial performance and other relevant factors.

Our ratings do not factor in any rating related trigger clauses as per the terms of the facility/instrument, which may involve acceleration of payments in case of rating downgrades. However, if any such clauses are introduced and if triggered, the ratings may see volatility and sharp downgrades.
