#### **Detailed Rationale & Key Rating Drivers**

D = + ! ... - -

CARE had, vide its press release dated December 10, 2018, placed the ratings of Jalan Transolution (India) Ltd under the 'Issuer not cooperating' category as Jalan Transolution (India) Limited had failed to provide information for monitoring of the rating as agreed to in its rating Agreement. In line with the extant SEBI guidelines, CARE has reviewed the rating on the basis of the best available information which however, in CARE's opinion is not sufficient to arrive at a fair rating. The rating of Jalan Transolution (India) Ltd bank facilities will now be denoted as CARE D; ISSUER NOT COOPERATING\*.

# Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating.

#### Detailed description of the key rating drivers

The revision in the ratings of Jagatjit Industries Ltd (JIL) takes into consideration the ongoing delays in debt servicing on its term liabilities. Further, on account of the stressed liquidity position of the company due to deterioration in its financial profile, there are overdues in the working capital facility as well.
