Key Rating Weaknesses***Moderate asset quality***

The Gross and Net NPA ratio (120 d-p-d) was 6.51% and 4.02%, respectively as on March 31, 2017 [Mar'16.: 4.53% & 2.98% (150 d-p-d)], increase in NPA is on account of transition to revised NPA recognition norms as per RBI and increase in delinquencies. The company's Reported Net NPA to tangible Net worth ratio was at 29.3% (Mar'16: 21.9%). As on September 30, 2017, the Gross and Net NPA ratio (90d-p-d) was 8.36% and 5.14%, respectively (March 2017 at 90 dpd: Gross NPA ratio -9.0% and Net NPA ratio-6.2%).

Industry Prospects

Over the last few years, the NBFC sector has gained systemic importance with increase in share of NBFC total assets to bank total assets. The same has resulted in the Reserve Bank of India (RBI) taking various policy

actions resulting in NBFCs attracting higher support and regulatory scrutiny. The RBI has revised the regulatory framework for NBFCs which broadly focuses on strengthening the structural profile of NBFC sector, wherein focus is more on safeguarding depositors' money and regulating NBFCs which have increased their asset-size over time and gained systemic importance. On the asset quality front, gradual change in the NPA recognition norms would lead to deterioration in asset quality parameters during the transition phase. Overall the revised regulations are positive for the NBFC sector making it structurally stronger, increase transparency and improve their ability to withstand asset quality shocks in the long run. Due to subdued economic environment, last three years have been challenging period for the NBFCs with moderation in growth and rising delinquencies resulting in higher provisioning thereby impacting profitability. However, comfortable capitalization levels and liquidity management continue to provide comfort to the credit profile of NBFCs in spite of impact on profitability. Also with the improvement in economic environment, asset quality pressures should ease which will partially offset the impact of migration towards 90 day NPA recognition norm.
