**CARE REAFFIRMS THE RATINGS ASSIGNED TO BANK FACILITIES OF
NEULAND LABORATORIES LIMITED**

Ratings

Facilities	Amount (Rs. crore)	Ratings ¹	Remarks
Long term Bank Facilities	175.51 (reduced from Rs. 187.84 crore)	CARE BBB- (Triple B Minus)	Reaffirmed
Short term Bank Facilities	72.40	CARE A3 (A Three)	Reaffirmed
Total Facilities	247.91 (Rupees Two Hundred Forty Seven crore and Ninety One lakh only)		

Rating Rationale

The ratings of Neuland Laboratories Limited (NLL) continue to derive strengths from experienced promoters having long-term presence in the industry, diversified revenue and customer profile, moderate financial performance with consistent operating revenue in FY15 (refers to the period April 1 to March 31), improved capital structure backed by equity infusion, moderate operating cycle, moderate product mix, strategic corporate reorganization to focus on its core business of manufacturing active pharmaceutical ingredients (API) and approved manufacturing facilities. The ratings are, however, constrained by drop in profitability margins in FY15, absence of significant long term contracts with customers, highly competitive nature of bulk industry and exposure to foreign exchange fluctuation risk. The ability of the company to grow its revenue base, improve profitability margins and manage working capital requirement efficiently and maintain healthy liquidity position are the key rating sensitivities.

Background

Incorporated in January 1984, NLL was set up as a private limited company by Dr D R Rao and Mr G V K Rama Rao and was reconstituted as a public limited company, with the current nomenclature, in 1994. NLL manufactures active pharmaceutical ingredients for global pharmaceutical companies and provides end-to-end solutions for the pharmaceutical industry for chemistry-related services. It supplies to pharmaceutical companies across India, Europe and North America amongst others with a presence in over 85 countries. NLL has two manufacturing facilities in Hyderabad, Telangana. The manufacturing facilities compliant with health and regulatory agencies cGMP certifications, namely, USFDA (USA), Canada (HC), PMDA (Japan), KFDA (Korea), EU (EMA), EDQM (COS) and others (ROW). The company has portfolio of around 75 Products with presence in 10 therapeutic segments including anti-asthmatic, anti-infective, anti-ulcerants, anti-fungals, cardiovascular, flouroquinolones, central nervous system (CNS) and anti diabetic. NLL is listed on BSE Limited and National Stock Exchange (NSE).

During FY15, NLL reported a total operating income of Rs.469.77 crore (Rs. 468.86 crore in FY14) with PBILDT of Rs. 67.48 crore (Rs. 72.76 crore in FY14) and PAT of Rs.15.78 crore (Rs.26.67 crore in FY14).

****For detailed Rationale Report and subscription information, please contact us at www.careratings.com**

CARE has classified instruments rated by it on the basis of complexity. This classification is available at www.careratings.com. Investors/market intermediaries/regulators or others are welcome to write to care@careratings.com for any clarifications.

Disclaimer: CARE's ratings are opinions on credit quality and are not recommendations to sanction, renew, disburse or recall the concerned bank facilities or to buy, sell or hold any security. CARE has based its ratings on information obtained from sources believed by it to be accurate and reliable. CARE does not, however, guarantee the accuracy, adequacy or completeness of any information and is not responsible for any errors or omissions or for the results obtained from the use of such information. Most entities whose bank facilities/instruments are rated by CARE have paid a credit rating fee, based on the amount and type of bank facilities/instruments.

In case of partnership/proprietary concerns, the rating assigned by CARE is based on the capital deployed by the partners/proprietor and the financial strength of the firm at present. The rating may undergo change in case of withdrawal of capital or the unsecured loans brought in by the partners/proprietor in addition to the financial performance and other relevant factors.
