Detailed Rationale & Key Rating Drivers:

CARE has assigned 'CARE AAA mfs (SO)' rating to SBI Capital Protection Oriented Fund – Series A (Plan 5 & 6) of SBI Mutual Fund. The fund is managed by SBI Funds Management Company Limited.

CARE's capital protection oriented fund ratings are not recommendations to buy sell or hold a fund or scheme. These ratings do not comment on the volatility of net asset value (NAV) of the scheme or the level of NAV compared with the face value during the tenure of the scheme any time before maturity. The ratings are valid only for the maturity of the scheme.

The investment objective of the scheme is to seek capital protection by investing a portion of the portfolio in highest rated debt securities and money market instruments and also to provide capital appreciation by investing the balance in equity and equity related securities. The debt securities would mature on or before the maturity of the plan under the scheme.

The schemes are structured such that the investments in the debt component required for capital protection shall be of such proportion that its value on scheme maturity date less AMC expenses will be greater than or equal to face value of the units subscribed by the investors. The investment in debt security required for capital protection shall be in the form of government securities or securities rated as 'CARE AAA' or equivalent, thereby ensuring highest credit quality.

To assess the debt component of the portfolio, CARE takes into account the default risk, reinvestment risk and other risks. CARE then estimates the likelihood of a shortfall in the NAV to assess the debt component of the portfolio, CARE takes into account the default risk, reinvestment risk and other risks. CARE then estimates the likelihood of a shortfall in the NAV with respect to the face value of the units of the scheme on maturity. CARE reviews the rated mutual fund scheme on an ongoing basis to support its published rating opinions.

The rating is based on the structure and 'Representation and Warranties' given by SBI Funds Management Company Ltd. that it will manage the portfolio of SBI Capital Protection Oriented Fund – Series A (Plan 5 & 6) such that it meets CARE's criteria to qualify for the capital protection oriented fund rating of 'CARE AAA mfs (SO)'.
