**Detailed Rationale & Key Rating Drivers**

CARE has been seeking information from Stone India Limited (SIL) to monitor the rating(s) vide e-mail communications dated September 07, 2020 and numerous phone calls. However, despite our repeated requests, the company has not provided the requisite information for monitoring the ratings. In line with the extant SEBI guidelines, CARE has reviewed the rating on the basis of the publicly available information which however, in CARE's opinion is not sufficient to arrive at a fair rating. Further, SIL has not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. The rating on SIL's bank facilities will be denoted as **CARE D/CARE D; ISSUER NOT COOPERATING\***.

***Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).***

The ratings take into account the instances of the delays in servicing of its debt obligations.

**Detailed description of the key rating drivers**

**Ongoing delays:** SIL's bankers have confirmed that there are on-going delays in the account and the account is classified as NPA.

**Analytical approach:** Standalone
