CARE REVOKES SUSPENSION AND REAFFIRMS THE RATINGS ASSIGNED TO THE BANK FACILITIES OF TEMPSENS INSTRUMENTS INDIA PRIVATE LIMITED

Ratings

Facilities	Amount (Rs. crore)	Ratings[1]	Remarks
Long term Bank Facilities	32.18	**CARE BBB- (Triple B Minus)**	Suspension revoked and reaffirmed
Short term Bank Facilities	16.50	**CARE A3 (A Three)**	Suspension revoked and reaffirmed
Total Facilities	**48.68**		

Rating Rationale

The ratings continue to take comfort from the wide experience of the promoters of Tempsens Instruments India Private Limited (TIPL) in the temperature measurement equipment business, its long track record of operations having reputed and diversified customer base with offerings of customized products to diversified industries and its financial risk profile marked by healthy profitability margins and favourable capital structure. The ratings, further, continue to derive strength from its technical tie-up with the global suppliers and moderate order book position.

The ratings, however, continue to remain constrained on account of its elongated operating cycle and high level of competition due to the fragmented nature of the industry. The ratings, further, are constrained due to the ongoing debt-funded capex.

Increase the presence in the thermal instruments market with broadening of product portfolio, better working capital management as well as stabilization of project capacities with improvement in overall financial risk profile would be the key rating sensitivities.

Background

Initially established as a partnership firm in 1985 by Mr C P Talesara, Mr P S Talesara, Mr V P Rathi and Mr N K Pande, TIPL was converted into a private limited company in 1990. It is a part of Pyrotech Group of Udaipur and is engaged in the manufacturing of temperature measurement & control equipment and solutions for industrial applications catering to a wide range of industries. The products find application in new setups as well as regular replacements in temperature controlled processes. It also manufactures cables for temperature sensors and instrumentation at its manufacturing facility at Udaipur (Rajasthan) which is ISO 9001:2008 certified and has a National Accreditation Board for Testing and Calibration Laboratories (NABL) accredited laboratory.

Mr V P Rathi (Chairman and Managing Director of TIPL) was awarded with “MSME National Award, 2010” for outstanding entrepreneurship in the manufacturing segment of MSE’s. Furthermore, TIPL was presented with an award “Rajiv Gandhi National Quality Award” in 2005 in recognition of their efforts and commitment to quality in the field of Electrical & Electronic industry.
